

COVID-19

SITE SAFETY

YOUR WELLBEING IS OUR PRIORITY

Centacare is taking every precaution necessary to protect the health and safety of everyone on site. We appreciate your patience and understanding in supporting our minimum site requirements.

CHECKING IN

All staff, contractors, clients and visitors must:

- Adhere to mask wearing requirements
- Check in via the QR code or by manual sign-in
- Perform hand hygiene using provided hand sanitiser
- Adhere to social distancing (1.5 metres away from others)

SCREENING QUESTIONS

- We will ask you some screening questions and **confirm** your **vaccination status**. This is so we can consider additional precautions to keep all parties safe.
- All visitors engaging in work or duties **must be** vaccinated against COVID-19 with a TGA approved vaccine, and must be able to provide evidence of vaccination status.
- Anyone who states they have a vaccination or a mask exemption will be asked to show proof of their exemption. Please be respectful to others as reasons for not wearing a mask are not always obvious.

We will continue to adapt our services in line with advice from SA Health. Additional changes to sites may be required over time and we will communicate these as quickly as possible.
