Youth Services Barossa

- Clients are allocated a case manager to provide supports, specifically around developing independent living skills, which includes health and education, and connections with community services
- Case management, support, information, advocacy and referral
- Some capacity to provide support to eligible clients living in private rental and SA Housing Authority properties.

Eligibility

- Young people aged 15-25 years who are homeless or at risk of becoming homeless, or whom face significant barriers in accessing accommodation
- Be receiving or awaiting approval of an independent income.

Referrals for young people under 14 years need to be made to the Department for Child Protection.
