 (YOUTH SERVICES ELIZABETH)**

## Youth Services Elizabeth

---

Youth Services Elizabeth provides the Outer North Youth Homelessness Service to young people aged 15-25 years who are homeless or are at risk of becoming homeless.

Case Managers work in a collaborative approach with community-based services within the Playford Council region.

Supported Tenancies and Supportive Housing are generally allocated to young people aged over 18 who are homeless, who are at risk of becoming homeless, or whom face other barriers in accessing alternative forms of accommodation.

Clients are allocated a case manager to provide supports, specifically around independent living skills and transitioning to independent living, which includes health and education, and connecting with community services.

## Services

---

- Case management, information, advocacy and referral
- Carlow Place - 24/7 on-site supported accommodation, with specific supports which promote independent living skills, health and well-being, social and educational connections
